Resource Persons	1	1	3

- 2.6 Innovative processes adopted by the institution in Teaching and Learning:
 - 1. Usage of Power Point Presentations to demonstrate various concepts.
 - 2. Making students to understand the structure of various compounds in chemistry through model demonstration.
 - 3. Conducting Viva Voce in the final practical exams.
 - 4. Regular seminars assigned to students to motivate them towards teaching and helping them to develop presentation skills.
 - 5. Seminar and Project presentation for Final year students are made compulsory so that the students can have a hands- on experience with the current technological innovations.
 - 6. Audio Visual methods are used to make the classes more interesting and interactive.
 - 7. Field work is taken up by journalism students to get a better insight of their field.

- 2.7 Total No. of actual teaching days during this academic year
- 180
- 2.8 Examination/ Evaluation Reforms initiated by the Institution
 - Continuous internal assessment for each paper
 - Conducting End semester examinations on time
 - Special Supplementary test for ineligible students to qualify for ensuing examination
 - Supplementary Examination is conducted within 20 days after the results of End Semester Examinations are announced.
 - Revaluation and Photocopy facility in place.
 - Tests, quiz, assignments, projects, seminars, dramatization of plays
 - Short type, conceptual, analytical, descriptive and objective type of questions.
 - Double valuation for PG papers
 - No moderation is done. One grace mark to declare Pass or Class is given at the time of tabulation of results.
 - Calendar of Tests, End Semester practical and theory examinations and the date of announcement of Results are printed in the Prospectus issued at the beginning of the academic year
- 2.9 No. of faculty members involved in curriculum Restructuring /revision/syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

All members of the faculty are involved in curriculum restructuring/ revision and syllabus development in the college.

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

- IQAC conducted periodical meetings with Heads of Departments to discuss the Calendar of Events, Class Time- table and other extra-curricular activities for the academic year. IQAC monitored and evaluated the action taken for the observations/ recommendations made in the meetings.
- IQAC gave information to the different departments with regard to the needs of the Global market to be kept in mind for syllabus designing. Once in three years the syllabus of the various departments is restructured in tune with the present scenario by taking into consideration the feedback from the stakeholders.
- IQAC considered and complied with the recommendations of the UGC, The Bangalore University, The Autonomy Review Committee, LIC, Academic Audit committee when they visited the college. These recommendations were placed in the Governing Body and Academic council of the college and the changes are incorporated.
- Students were encouraged to involve themselves in research activities, projects, seminars and publications. It is mandatory for V and VI semester students to present Seminars and take up Project Work in their core subjects. The IQAC evaluated and facilitated the progress of the students in each department.
- The IQAC encouraged the participation of the faculty members in State, National and International level Workshops, Conferences and Symposia. Faculty members are provided leave facilities and their classes are adjusted to ensure smooth working of the academic activities.

2.13 Initiatives undertaken towards faculty development

Faculty / Staff Development Programmes	Number of faculty benefitted

3. Research, Consultancy and Extension

3.1 Initia	tives of th	e IOAC	ın Sensitizin	g/Promoting	Research	Climate in	the	institution
------------	-------------	--------	---------------	-------------	----------	------------	-----	-------------

- IQAC through the Principal familiarized the members of the faculty about UGC Minor and Major project proposals, seminars and Workshops.
- A Research Methodology Workshop in association with ISEC was organised on five Saturdays in May & June, 2012 for the benefit of UG & PG students and staff of Sociology and Economics. This helped the students to review literature on given subjects, conduct pilot survey, collect primary data, analysis and presentation of data for their Seminar and Project work in the V & VI semesters.
- The Bangalore Science Forum, established in 1965, has conducted 2518 lectures till date. Weekly science lectures, Science Festival in the month of July and summer camps for budding young school children are a source of inspiration to the students and faculty. Nobel laureates, scientists, eminent critics, well known authors were invited for motivational talks to facilitate research
- The Humanities departments are also actively participating in the Bangalore Social Sciences forum. The Forum has conducted 562 lectures till date. Research scholars, social scientists and organisations dealing with research have been invited to motivate and inspire faculty and students through their talks.

and electricity	_		

and electricity.

- It has its own transformer
- 2 Generators of 25 KV capacity each
- All the Departments are provided with UPS back up

Health centre

Water filters are provided in all the departments and at 3 strategic locations in the college for the benefit of students

A Health Centre is housed in the campus. Dr. Shanthi Prasad of Bhandari Hospital visits the centre for regular health checkups of students. Consultancy service is provided for students and teachers with medical specialists who have been our alumni such as: Dr. Anil, Surgeon -Martha's Hospital; Dr. Sridhar, Urologist-Brindavan Hospital; Dr. Muralidhar, Cardiologist- Trinity Hospital, Dr, Rajkumar- Orthopedic Surgeon and Dr. Krishnamurthy-Dentist. The faculty and students are subject to a medical examination during the annual blood donation Camps arranged by the Red Cross Society.

4.2 Computerization of administration and library

- 1.All faculty and office staff are conversant with computer and all activities of the college are computerised.
- 2. The college has its own web address and all activities of the college are uploaded in the blog.
- 3. Activities of the college can be viewed on the college blog
- 5. Member of inflibnet
- 6. Physically challenged are supplied the books that they want through the concerned departments. For the visually challenged, audio- visual facility is available.

During the last five years, the library has been upgraded as follows:

- Fully Computerized with Bar Code system developed
- Internet services provided for staff and students E-Library with internet facility
- LAN facility in Library
- Open access system is maintained
- There are 14 computers as on date

4.3 Library services:

	Exis	sting	Newly added		Total

State PSC

The fresher's are welcomed to the graduation course through a formal inaugural function at the beginning of the academic year. At this function the students are informed about the various facilities available in the college, necessary instructions about attendance, examination, internal assessment, tests, laboratory facilities and practical sessions and other non-academic activities of the college. The assigned class teachers are formally introduced to the students. These class teachers work as mentors and monitor the activities of the students. They counsel the slow learners by giving the necessary guidance and wherever necessary the guardians are also involved in the process. They maintain a record of academic and non-academic performance of the students.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Shraddha hi paramagathihi" (Dedication is the means to achieve the ultimate goal)

VISION

The Institution aims at promoting the ideals of Secularism, Humanism and Scientific spirit enshrined in the Constitution of India and imparting Value based higher education to one and all at a reasonable cost.

MISSION

To realize the vision, our college:

- 1. Imparts value based education with a long-term perspective;
- 2. Develops in the students a spirit of social service and a concern for the less fortunate people in the society;
- 3. Updates the curriculum periodically to enable the students to prepare for a career or further studies; 4. Arranges a series of Classroom, Seminar and Workshop based execution to prepare students for the impending competition.

6.2 Does the Institution has a management Information System

- Systematic flow of information from a pro-active management through the various committees like the Governing Body, Academic council, Principal and staff members and administrative staff smooth functioning of academic activities is ensured.
- Under the leadership of the management and the Principal, administrative activities like maintenance of registers for admission, attendance, fee receipts, service registers and other registers are maintained correctly and the information is managed efficiently.
- Details regarding admission, timetable, examination and other information to the students is disbursed through the blog. The web site is periodically updated.
- Feedback from students, faculty, alumni and stakeholders is also considered while reviewing the information to suit the needs of the present market.
- 6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- Feedback from students and stakeholders, suggestions of the various committees and faculty is considered while reviewing the syllabus
- ♣ Subject experts, industry representatives and faculty members discuss and give their suggestions about the curriculum. These are discussed in the Standing council meetings and College council meetings and are incorporated. Each department provides a list of internal and external Board of Examiners.
- ♣ Encouraging faculty and students to engage in research activities.

6.3.2 Teaching and Learning

- Industrial visits, educational tours and field trips have been organized by the Departments of Sociology, Botany, Zoology and Kannada.
- Use of ICT in class rooms
- E-Library
- A Newsletter "Vartha Sameekshe", of the college is released every year on 26th January. This provides information on the academic and non-academic achievements of the faculty and students. It enthuses the students to aspire for greater achievements and motivates others to perform.
- Wall magazines in the departments of Journalism, English and Kannada provide opportunities to students to exhibit their literary talents.
- The 51st Inter class drama competition held in the month of February encouraged the students to acquire theatrical skills.

6.3.3 Examination and Evaluation

The Examination Committee with Principal as the Chairperson declares results.

Principal, Vice-Principal, Controller of Examinations,

Five senior professors representing Languages, Arts, Science and Commerce, constitute the Examination Committee.

The Committee looks into the conduct of examination in smooth manner.

Fixing Practical & Theory examination Time Tables, Allocation of Invigilators, Room allotment of students. Dealing with mal-practice cases if any.

No moderation is done. One mark gracing to declare Pass or Class is given at the Tabulation level.

Supplementary Examination is conducted immediately after the results.

A special IA test is given before the Supplementary Examination.

One internal and one External Examiners

Question Banks set in Botany, Sociology, HRM, Indian Constitution, English, Computer Science, Electronics Mathematics.

Both Revaluation, Photo copy and Challenge Valuation

Those who get >1% i.e., 6 marks and above in Revaluation the Fee will be refunded.

6.3.4 Research and Development

IQAC in association with Personality Development Research and Training Foundation (PDTRF) conducted a One day workshop on 29.1.2012 for the benefit of teaching and non-teaching staff of the college. In association with ISEC, a Research Methodology Workshop was organised on five Saturdays in May & June. Faculty members are duly informed about the availability of UGC and other funds for minor and major research projects.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- Fully Computerized with Bar Code system developed
- Internet services provided for staff and students E-Library with internet facility
- LAN facility in Library
- Open access system is maintained
- There are 14 computers as on date
- Two storied library Spacious Reference Hall with accommodation for 80 students &
- E-Library with 14 PCs with internet facility

6.3.6 Human Resource Management

The performance of the teaching and non-teaching staff members is reviewed by the members of the Governing Council and corrective measures if needed are put into action. As an incentive for the management staff, time bound promotion and enhanced salary is incorporated. The performance of each department is monitored and reviewed by the IQAC at various meetings.

6.3.7 Faculty and Staff recruitment

The Management periodically reviews the vacancy position of teaching and non-teaching staff. Applications are called for from eligible candidates as per the UGC and BU rules. Selection committee comprising of the Management representatives and Heads of the Departments concerned will complete the selection process. The selected candidates will be given the required guidance in the department concerned.

6.3.8 Industry Interaction / Collaboration

Placement Cell of the college is actively in touch with industry. The coordinator of the Cell interacts regularly with the functionaries of prominent industrial organisations . Seven organizations were invited to visit the campus and conduct interviews. This has helped in on- campus placement of 61 students and 12 students off- campus.

6.3.9 Admission of Students

Public are informed about the details of courses offered in the college through banners displayed at the premises. The applications received from the candidates will be scrutinized by a team comprising of teaching and administrative staff. List of selected students will be displayed as per Bangalore University rules. Due weightage will be given based on the principles of gender and social equity.

	NA					

6.11 Activities and support from the Alumni Association

The institution has an Alumni Association in which former students of this college are taking interest in volunteering their resources to the betterment of the institution. **Dr. A.H.Rama Rao,** the President of the National Education Society of Karnataka is meritorious alumnus of this College. He has contributed generously towards the development of the Computer Science Laboratories at the National College Basavanagudi and the National College Jayanagar. He has been instrumental in Computerization of our Libraries. Dr. A.H.Rama Rao has been the main inspiration behind the starting of P.G. courses in general and M.Sc, Computer Science in particular at the National Degree College Basavanagudi, Bangalore.

Dr. Sadananda P Maiya, is a major donor to the National Education Society of Karnataka having donated crores of Rupees. 'Dr.P.Sadananda Maiya Pre-University Block' in the National College, Jayanagar and 'Dr. H.Narasimhaiah Multimedia Hall' built with state of the art technology with IP address, in the National College Basavanagudi, are testimonies of his munificent philanthropy. He has been a Governing Member and is at present the Honorary Secretary of the National Education Society of Karnataka.

The various administrative and academic organs of the college are having prominent alumni of our college serving in different capacities.

6.12 Activities and support from the Parent – Teacher Association

The orientation programme held at the beginning of each semester for the fresher's and their parents will provide information about the academic and non-academic activities. The involvement of parents in the education of their wards is very important and in view of this the College has a tradition of appointing class teachers for each class. The classes that are allotted to the department have been cared for specially. Parents are expected to meet such class teachers once in twenty days to discuss problems of their wards. A special register has been maintained to enable the parents to put in their signatures when they visit the department. This practice has brought about an improvement in the conduct, learning and behaviour of the students. However, the parents of the students are invited to the college twice a year to meet the Principal and Teachers. They are also given an opportunity to give their suggestions about the welfare of their wards.

6.13 Development programmes for support staff

Salary is paid on time to the management staff.

Canteen facilities to the staff and students.

Free parking facilties to the staff and students.

Festival advance to the teaching and non-teaching staff.

Periodic meeting with principal to discuss grievances if any.

6.14 Initiatives taken by the institution to make the campus eco-friendly

The following measures have been undertaken to maintain a eco-friendly campus:

- Segregation of dry and wet waste.
- Maintenance of garden and special garden in Botany department.
- Maintenance of rabbits by the Zoology department to create awareness among students about man animal relationship
- Workshops, seminars on global climate
- NSS volunteers clean the campus
- RO drinking water at prominent places for students.
- Rainwater harvesting as per BBMP rules.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on t	пе
functioning of the institution. Give details.	

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

Plan of action	Action taken
Need for more	E-banking certificate course for commerce students.
Add-on and	
certificate courses	
Use of technology	Portable projectors are provided to teachers.
for teaching	Film shows are screened by the English department in the English Communication Lab.
	Seminars and Project work is made compulsory for all courses in V & VI semester
	Field visits conducted by the Sociology and Botany departments
Encourage	Many of the staff members have Chaired, participated and presented
research activities	papers in the National and International Seminars and conferences.
among faculty	The college has organized UGC seminars, conferences and special lectures.
	Faculty members of the Kanada and Botany department are guiding students for M.Phil and P.hD.
	Several teachers are resource persons, members of the BoS & BoE in several reputed colleges.
Need for class	Discussions with the stakeholders to construct classrooms and
rooms	computer laboratory.
IQAC	Periodic meetings to discuss the observations of the Peer committee and the action to be taken.

7.3 Give two Best Practices of the institution

Best Practice - I

The commencement of the college activities for the day begins with the College prayer having Sanskrit slokas taken from various ancient scriptures. The members of the Prayer committee including teachers and students guide the gathering. General instructions and special announcements are made during the session. It culminates with the singing of the National Anthem.

This tradition has been practiced since the inception of the college as a continuation from Primary, Middle, High School and Pre-University, working in the same campus. This has inculcated a sense of belonging, patriotism and cultural sustenance among the students and faculty members.

Best Practice - II

The National College Basvanagudi is popularly known as 'Natakada College', known for promoting theatre activities and grooming theatre and film artists. Popular personalities in the Kannada theatre and film industry like Dr. Vishnuvardhan, C R Simha, Srinath, Dr. B V Rajaram, Sundarraj and others have begun their career from the portals of this college. In order to motivate and cultivate interest in theatre activities among students, Inter-Class drama competition is held every year. The 51st Drama competition was held during February 2013. The members of the Drama committee with the help of class teachers were able to guide students in the preparation of presenting a drama from each class. The students were involved in the Direction, Music and script writing of dramas.

7.4 Contribution to environmental awareness / protection

- ➤ EVS as a compulsory subject has been included in the syllabus for all classes. Students learn their role in maintaining a clean and good environment.
- > Students under the guidance of the NSS unit of the college were involved in the maintenance of garden in the campus.
- A special garden is maintained by the Botany department which has unique medicinal plants.
- ➤ Maintenance of rabbits by the Zoology department to create awareness among students about man animal relationship
- > Students are taken on a environmental educational trip to have a practical knowledge of environmental issues.
- NSS volunteers are involved in cleaning the campus as a routine exercise.
- ➤ RO drinking water is made available at prominent places for the use of students.

7.5 Whether environmental audit was conducted?	Yes No

7.6 Any other relevant information the institution wishes to add.

SWOT analysis

Strengths

- Founder Padmashri, Nadoja Dr. H N Narasimhaiah rationalist, visionary, freedom fighter, former Vice-Chancellor of Bangalore University
- Established in 1945 college of long standing reputation
- Centrally located in South Bengaluru
- National Education Society of Karnataka ®- established in 1917 running 15 institutions details
- Pro-active, easily accessible and friendly management always with a helping hand.
- Aim of inculcating the Nationalistic ideals relentlessly to promote the ideals of secularism, humanism and scientific spirit enshrined in the Constitution of India
- Autonomous college with effect from 2005-06
- Spacious campus of 4 acres with 31 classrooms, 3 auditoriums, one state of the technology Multi-Media Hall with IP address, 3 storied library, zoology museum, spacious parking lot for two and four wheelers
- Green environment clean campus, garden maintained by the Botany department,
- Rain Water Harvesting as per BBMP guidelines
- Best Practices
 - ❖ The Bangalore Science forum –from 1962 2732 lectures

Film shows, one month long science festival in the month of July every year, Summer school camp in science, , publications of books and pamphlets on science subjects, uploading lectures on You tube for free public viewing and enhancing knowledge,

- ❖ The Bangalore Social Science forum 600 lectures
- Interclass drama competition every year
- ❖ Commencement of daily activities with College Prayer
- Celebration of Ethnic day and Talents day for students

- ❖ Active participation of Science and Social Science Clubs
- The college with its consistent encouragement to extracurricular activities, has produced eminent scientist, teachers, Theatre and Cine Artists, Sports personalities of national and international reputation.
- Active participation of Faculty and students in field trips, educational tours, industrial visits,
- Preparing students for competitive examinations
- Students have been recruited in well known organisations.
- ICT intercom and internet facilities.
- Maintenance of administrative records by the Office staff
- UG,PG, Add on courses, certificate courses,
- NSS unit contributing to the societal needs
- Active role of NCC Unit in the State and National scenario.

Weaknesses

- Internal revenue generated is insufficient as no donations are collected and the college charges affordable fees.
- The college has only Basic Courses in Arts, Science and Commerce.
- Fee structure for UG & PG when compared to Government colleges is high but compared to other private colleges it is low
- Fall in intake of students because of colleges mushrooming in the neighbourhood.

Opportunities

- ♣ To start professional courses like BBM, MBA, B.Ed,
- More collaborations with industries, Universities and Government of Karnataka
- ♣ To conduct workshops, conferences and seminars at national and international levels
- To change syllabus according to the present day market needs

Threats

- ➤ Competition from neighbouring colleges
- ➤ Highly qualified faculty prefer to work in IT and Professional colleges with higher salary than our college
- Courses not relevant to the present market job opportunities

8. Plans of institution for next year

- To introduce Add- On courses in Arts, Commerce and Science streams.
- > Introduce PG courses in Commerce and English
- > To start Research Centres in Science and Humanities
- To encourage Faculty members to register for Ph.D.
- To provide better infrastructure facilities for students and faculty.
- To initiate a Training Centre to further equip the faculty members in their respective subjects.
