Consultancy Policy

The College encourages staff involvement in consultancy.

The consultancy may be allowed in academic matters, sports, coaching for competitive examinations, training to corporate employees, extension activities, etc.

The consultant is expected to be transparent and accountable. The performance of consultancy should not affect the regular service of the consultant in the College.

Revenue Sharing:-

If any revenue is generated in consultancy services it is to be shared at 70 : 30 ratio between the consultant and the institution. It is to be properly accounted.
