The Board of Studies meeting of the department of Economics was held on 2.5.2019 in the IQAC Board room, to approve the syllabus for the I&II semesters of B.A. and B.Com courses.

Chairperson, Prof. Sheela Jayanth welcomed the members and informed the members about the recent changes in the II Pre-University syllabus of the Karnataka Government. The members reviewed the matrix, syllabus and question paper pattern of the I and II semester B.A. & B.Com courses for the academic year 2019-20 onwards and the following changes were incorporated:

Dr. Padmini Rao suggested the following changes:

- Elective paper in V semester B.A can be renamed as Economics of Growth and Development instead of Economics of Development and Planning.

- A case study of the balance sheet of a commercial bank can be used to give a practical insight into the activities of commercial bank in Module 4 of Principles of Economics –II.
- Principles of Economics –I , Determinants of interest rate can be introduced in Module 4 Factor Pricing for skill development

Mr. C.S.Sudheer suggested the following:

- In chapters 1 & 2 of Business Economics I & II students need to be appraised of relevant case studies to give them a practical knowledge of the subject.
- He also volunteered to conduct a free Orientation course for the students of BA & B.Com students regarding career opportunities in Economics

Dr.H.R.Krishna Murthy suggested the correlation of theoretical concepts with Economic applications in both B.A &B.com.

Dr.Balakrishna pointed out that the same theoretical concepts taught in the I and II semester B.A will be taught in the III semester with mathematical and statistical applications.

Prof.Sheela Jayanth felt that the students of the B.A Course were from rural background having studied in Kannada medium and hence the syllabus should be framed keeping this in mind.

Dr. Prathima suggested the introduction of the concept of demonetization in Module 4 of Principles of Economics –II.

After a detailed discussion the final syllabus for the following papers of I and IInd semester B.A. & B.Com courses for the academic year 2019-20 was approved.

I semester –Principles of Economics – I - Paper 1

II semester –Principles of Economics – II - Paper 2

I semester –Business Economics – I Paper 1

II semester –Business Economics – II Paper 2

The question paper pattern for the above papers will be as per the existing CBCS pattern. The Chair person thanked the members for their valuable suggestions.
