NSS 7 DAY SPECIAL CAMP-2017-18 REPORT

SPECIAL SEVA CAMP 2017 – 2018

National Degree College Basavanagudi, NSS wing is always remarkable for the activities they have conducted through years of its legacy. NSS wing is always determined at students personal up gradation in the field of social and cultural ability. As the motto says, 'Not me but you' is a literal example for why NSS is successful from decades. One such activity has been detailed below which gave the NSS volunteers a special experience in their lifetime.

As a part of *NSS* activity for the year **2017-2018**, The National College had initiated a *Special Camp* dated from **11-12-2017** to **17-12-2017** at a place named **Suggatta, Jala hobli, Bangalore North, Bengaluru**.

Day 1: 11-12-2017

As the Journey started from the college campus through a hired vehicle, Volunteers safely reached the camp site by 11:00AM. On this day, by 11:30AM, The Karnataka Police had organized a programme called 'Janasnehi', Which in words means that 'Citizen friendly' and through this programme, the police emphasised in brief the villagers to maintain peace and to be aware of the theft happening.

At 3:30, the dignitaries' of the village were present in the campsite in order inaugurate the camp which is happening in their own village. They inaugurated the function by lighting the lamp and **Prof.S N Nagaraj Reddy**; Honorary Secretary of NES presided as the president of the Inauguration and **Dr. Kirshne gowda**; Secretary of college teaching staff, The National College was also present for the Inauguration. The chief guests for the inauguration were **P. Venkatesh**; Member of Grama panchayath; Bettahalsuru, **Narayan Swamy**; Vice president; Grama panchayath; Bettahalsuru, **S.M. Subramani**; Member of Grama panchayath; Suggatta, **R. Veena Venkatesh**; Member of Grama panchayath; Suggatta, **G.S. Rajini**

Prakash; President of Grama panchayath; Bettahalasuru, and other assist officers of -charge inaugurated the function. By this, the first day's programs were accomplished.

Day 2: 12-12-2017

At 6:00 AM, The first day's flag hoisting programme was initiated by the team '**Nairuthya**' and after which the volunteers were all set to clean the temple of Sri Sanghameshwara. This temple had snub identity until the volunteers initiated to clean the weeds around it. This Shramadaan happened for almost Four hours and it was productive in fact. Media were assembled to witness the initiative taken by the NSS volunteers and interviewed few volunteers about what is NSS and its contribution towards the improvement of the Village.

Later at 4:00 PM, **Dr. Chandrashekar Naik;** Professor of Biotechnology; Sir MVIT College lectured about the "**Environment and Biotechnology**" to the ever learning volunteers and the president of this lecture program was **Dr. YC Kamala;** Professor of Physics; The National College Basavanagudi. The other important villagers were also present in this lecture program and after which they also were present for the Flag de-hoist. Team '**Aagneya**' organized the Cultural programs for the evening after which Volunteers had their dinner and rested for the night.

Day 3: 13-12-2017

At 6:00 AM, The Second day's flag hoisting programme was initiated by the team '**Eeshanya**' and after which the volunteers had taken initiative in order to clean the roads of the village. By this initiative, the villagers were also asked to keep their surroundings neat so that it helps to their well being. This Shramadan happened for almost three hours.

After which, The Youth for Seva (YFS) had been present in the campsite in order to teach the NSS Volunteers about the importance of their motherland, India. They also gave little intimation regarding the Personality Development and its importance before we serve the society. Later at 4:00 PM, **Dr. SK Uma;** Professor at department of MCA, Sir MVIT College, lectured about "**Contribution of Indians towards Mathematics**" to the ever learning volunteers and the president of this lecture program was **Prof. BV Sridhar Swamy;** Professor of Physics; The National College Basavanagudi. Volunteers and Guests presented De-hoisted the flag later in the evening. After that at 6:30 PM, the cultural program for the night was organized by the team '**Nairuthya**' after which the volunteers finished their dinner and went to rest for the night.

Day 4: 14-12-2017

At 6:00 AM, The Third day's flag hoisting programme was initiated by the team '**Vayuvya**' and after which the volunteers had taken initiative in order to clean the village. By this initiative, the villagers were also asked to keep their surroundings neat so that it helps to their well being. This Shramadan happened for almost four hours.

Later at 4:00 PM, **Dr. Ravi Kumar SM;** Professor of Kannada, Government first grade College; Devanahalli, lectured about "**Role of NSS in Youth's personality development**" to the ever learning volunteers and the president of this lecture program was **SM Subramani;** Member of Grama panchayath, Suggatta. Volunteers and Guests presented De-hoisted the flag later in the evening. After that at 6:30 PM, the cultural program for the night was organized by the team '**Eeshanya**' after which the volunteers finished their dinner and went to rest for the night.

Day 5: 15-12-2017

At 6:00 AM, The Fourth day's flag hoisting programme was initiated by the team '**Paschima.**' On this auspicious day, a health camp was organised for the villagers. The top rated hospitals of Bangalore **Narayana Health Centre, KIMS and NIHMANS** were present at health camp in order to serve the Village with No Cost; feeling the social responsibility towards the Society. Under the free health camp **117** villagers were undergone the health check-up along with **30** School children of the same village where we had camp. The responsibility for the health camp was taken up by **HK Damodar Rao** who is an alumni student of The National College Basavanagudi and he was the Lecturer for the day's lecture program. The topic of the lecture was "**Youth towards Scientific Thinking**" and this lecture was really inspiring. **Dr. M. Leelavathi**; Convener; Kannada PG and Research department; The National College was the president of the lecture program. **Dr. P. Sundramma**, HOD of Mathematics; The National College Basavanagudi and **Prof. M. Nagaraju**; Sport and Physical education department; National College Basavanagudi and other Villagers were also present in the program. Volunteers and Members of the village De-hoisted the flag later in the evening. Team '**Vayuvya**' had organized a beautiful Cultural programme where they let kids to play games and it was fun filled. In this way, the fifth day was put off same like the days before.

Day 6: 16-12-2017

At 6:00 AM, The Fifth day's flag hoisting programme was initiated by the team '**Aagneya**' and after which the volunteers had taken initiative in order to clean the village. On this day also, the villagers were also asked to keep their surroundings neat so that it helps to their well being. This Shramadan happened for almost two hours.

Later at 4:00 PM, **Dr. S. Narayan Swamy**; Co-director, Government veterinary hospital; Devanahalli, lectured about "**Importance of Horticulture in economic development**" to the ever learning volunteers and the president of this lecture program was **Prof. Nagesh**. Other Members of Grama panchayath, Suggatta were present for flag De-hoist. At 6:30 PM, the cultural program for the night was organized by the team '**Paschima**' after which the volunteers were made arranged to have their special **Candle Light Dinner**. And thw much awaited great **campfire** was also organized and after which the candles' were lit and the felicity song was sung. In this Manner the Six days was spent successfully.

Day 7: 17-12-2017

On the final day of our seven days camp, a VELIDICTORY function was arranged.

ADVENTURE CAMP:Year 2017-18

Dated 16-09-2017 to 19-09-2017

Introduction

National College, Basavanagudi, NSS wing is always remarkable for the activities they have conducted through years of its legacy. NSS wing is always determined at students' personal up gradation in the field of social and cultural ability. As the motto says, '*Not me but you*' is a literal example for why NSS is successful from decades. One such activity has been detailed below which gave the NSS volunteers a special experience in their lifetime.

As a part of NSS activity for the year **2017-2018**, The National Degree College had initiated an ***Adventure Camp*** dated from **16-09-2017** to **19-09-2017**.

The chosen places for the camp were **HORANDU, KALASA and SRINGERI**. This camp gave the volunteers a stupendous and a wonderful experience which they would probably not forget for the eternity. Greenery of the camp site made us all forget the worries in the world and it let us to experience its flavour. Leeches, wild animals, and other insects were also a part of our memories as they are blood friends.

Beginning of the Journey

On **16-07-2017** at **8:30 PM**, we hit the roads with the enthusiastic volunteers towards the pre fixed camp site and we reached our very first destination

HORANADU. 17-09-2017 at 6:00 AM.

A long journey and dazzling sun made our eyes a little irritate as we students spent our night sleepless; chit-chatting. We then reached the Guest house as to finish the daily routines and rest for some-time. Later headed towards the temple to seek the blessings of goddess *Sri Annapoorneshwari* and had breakfast i.e., prasada and started the engines for the next destination. This place is famous for most beautiful scenery, forest, hills, valley and rivers. In this camp the most memorable experience is intermittent rain occur, thick clouds, misty, fog cover on hills and hide and seek sunlight.

KALASA

The Rotary Club, Kalasa had organized a Teachers Day programme as a part of celebration. We joined the programme and obediently listened to the Chief Guest for the programme addressing all of us through stating the responsibility of a teacher in up bringing the student in this competitive world. However, he also emphasised the role of students and their contribution to this country. The president of the apex **Ms. Rajlakshmi Joshi** felicitated our beloved NSS officer **P.L. Ramesh** for his role in guiding the students towards a righteous path of their lives. This programme also had few sports conducted specially for the Teachers and the winner took home the trophies. After all these, we then headed towards the Forest near-by.

THE WOOD SCENE

As we entered the Forest of Kalasa, which is adjacent to river Badhra , the department of forest was present as to detail the students about the kinds and types of plants, trees, herbs that they grow only in Forest. The described the importance of each tree which are grown

their like Sandalwood, Teakwood, Plywood, Bamboo and they also signified about different types of Fruit trees which are precious and rarely found in Forest areas only. They lectured about the importance of Black Sandal, Red Sandal and they even thought us the scientific names of each tree and plant found there. As we are the students of National College, are always objected towards the well being of our nation. So, we took an initiative to plant as much as saplings that we could and we almost planted 40 saplings like Banyan, black plum and other hugely growing tree saplings with the help of the department of forest and we successfully contributed to this mother earth.

THE TREK SCENES

After we made a satisfying contribution to the mother earth, we then contributed ourselves with an aromatic and a delicious food to our hungry stomachs served in the dining table of The Rotary Club, Kalasa.

As a part of our camp programme, we also had a plan of trekking to the near-by hill called Durgappana katte. This was a ridiculous experience of all the Adventure camp as we all had a lot more fun than anything else in the overall camp. Slippery narrow path, this was the gift from the rain. We all headed one by one holding each others' hand very carefully because if one falls the whole chain will roll down the hill. Though few students were exceptional in making to the peak without falling and as we reached the peak, we forgot the struggle of climbing the hill. Blissful breeze blew away all the worries and sweat.

By **5:30 PM**, we walked down the hill and headed towards the **Kalaseshwara Temple** and as planned we started the procession in association with Rotary Club Kalasa of having the theme cleanliness and Swachh Bharat towards **Rotary Club Bhavan**. The students screamed "rescue forest; rescue lives". As students were all tired of the procession, there were few entertainments' for all of them. NSS volunteers', as mark of respect sang the NSS song, National song. A few talented volunteers exposed all of their talents and were appreciated for their unexposed hidden talents. The President of the club gave off dictionaries to the Students as momentous from their club. We all then were driven back to the temple and with dinner, we found sleep.

Second Trekking

On **18-09-2017, 6:00 AM**, Students were struggling hard enough to wake up but anyway, everyone was set to another adventurous Trek by **7:30AM**, which was organized near to Horanadu. A steep narrow road made the seated students feel Goosebumps all over their body. That was really a deadliest road ever seen in our lives. At **8:00 AM**. We rested to eat our breakfast to energise ourselves for the trek. We walked up the hill and added one more memory to the bucket of memories. Tired students rested in the bus itself and later headed towards the Makki maidana Palace ground in order to give back its old heritage. We as NSS volunteers' took initiative in order to clean up the rot of that place and we all were successful in giving our best to make the place look better than before.

The Villagers, who were later influenced by the Students striving hard to clean their village, took initiative and voluntarily stretched their helping hands with us and this was really a great cause for the cleanliness of the ground. We then cleaned ourselves and had lunch.

SRINGERI

At **4:30 PM**, we left to Sringeri from Kalasa and reached the destination by **6:30PM**. We all seek the blessings of **Sri Sharadamba** goddess and we were all admired and gobsmacked of the sculptures of ages before and we took few pictures of it. We further proceeded towards **Sharada Peeta** and also we had some fun time in the near-by river that is **Thunga**. After which we again were back to Peeta and had our dinner at **9:30 PM** and that was all for the adventure camp.

BACK TO HOME

We left the camp site at **9:30 PM** and were successfully backed to our hometown with no bad happenings. By **6:15 AM** we stepped down were we stepped the bus. Students had their best feelings and memory filled adventure camp. As per the instructions of the NSS Officer, Students then dispersed after the attendance taken.
